## *Heads Mound City School System*

Mr. Donald Hoppes received his B. A. degree from Kansas State College of Pittsburg in 1954. Following his graduation he came to Mound City High School. After being a classroom teacher for seven years, he accepted the position as Superintendent of Mound City Public Schools in September, 1962.

Mrs. Wutke, better known to the students as "Mary Lou", has been a part of the activities at M. C. H. S. for the past ten years. Mary Lou has always been a friend to all the students and faculty, and since this is her last year at Mound City, we would like to say a special "thanks" to her for all she has done for us, and to extend our best wishes to her and her family in their new home.
